Subject: Blake Atkins, Section Chief, Drinking Water Section Requests a Reservationless Plus line

Importance: High

Tony,

Blake Atkins, Chief, Drinking Water Section would like to request a Reservationless Plus line. He frequently has to address issues that affect drinking water and the Region 6 state agencies. In particular, he is having daily conference calls with New Mexico state agencies in regards to the Gold King Mine effort. He serves as a lead for directing his staff, who are working at the location and the state agencies.

If you no longer distribute the cards, could you please direct us?
